To Whom It May Concern,

In the summer of 2004 my husband and I employed Steve Bavage of "Thrive Landscapes", to re-design and landscape our backgarden.

He was with us for around 4 weeks and during that time we found him very efficient, punctual, polite and extremely hard working. The work he did, which included building a fairly large rockery/pond, was of the highest standard.

We would certainly recommend Steve to anyone, as we have full confidence in his work and capability.

Yours faithfully,

Mr + Mrs Lodes.
