

"It is easy for me to recommend Thrive Landscapes to anyone wanting landscaping work done on their property. I had a substantial patio area constructed by them and found them to be punctual, hard-working, friendly and honest. The quality of their work is excellent, and as work progressed they cleaned up and tidied the garden area as much as is practical at the end of each day, and at the end of the project entirely cleared the garden and made good. I am very pleased with the results. Also, judging by the other quotes I had for the same work, their prices are reasonable to boot!

In short, Thrive Landscapes represents all that's good about local business - highly recommended!
